

abrotanum	camphora	glonoinum	millefolium	spongia tosta
aconitum napellus	cannabis indica	graphites	moschus	stannum metallicum
aesculus hippocastanum	cannabis sativa	helleborus niger	muriaticum acidum	staphisagria
aethusa cynapium	cantharis	hepar sulphuris calcareum	myristica sabifera	stramonium
agaricus muscarius	capsicum	hydrastis canadensis	naja tripudians	sulphur
agnus castus	carbo animalis	hyoscyamus niger	natrium carbonicum	sulphuricum acidum
aletris farinosa	carbo vegetabilis	hypericum perforatum	natrium muriaticum	symphytum officinalis
allium cepa	carcinosinum multi	ignatia amara	natrium sulphuricum	syphilinum
aloe socotrina	caulophyllum thalictroides	iodium	nitricum acidum	tabacum
alumina	causticum	ipecanhuanha	nux moschata	tarentula hispanica
ambra grisea	chamomilla	iris	nux vomica	tellurium
anacardium orientale	chelidonium majus	kali arsenicosum	opium	terebinthina
antimonium crudum	china officinalis	kali bichromicum	palladium	theridion
antimonium tartaricum	cimicifuga racemosa	kali bromatum	petroleum	thuja occidentalis
apis mellifica	cina	kali carbonicum	petroselinum sativum	tuberculinum bovinum
argentum metallicum	cistus canadensis	kali chloricum	phosphoricum acidum	urtica urens
argentum nitricum	clamatis erecta	kali iodatum	phosphorus	valeriana
aristolochia clematitus	cocculus indicus	kali phosphoricum	phytolacca decandra	veratrum album
arnica montana	coccus cacti	kali sulphuricum	plantago major	viburnum opulus
arsenicum album	coffea cruda	kalmia latifolia	platinum metallicum	zincum metallicum
arsenicum iodatum	colchicum autumnale	lac caninum	plumbum metallicum	
aurum iodatum	colocynthis	lac defloratum	podophyllum peltatum	
aurum metallicum	conium maculatum	lachesis	psorinum	
avena sativa	convallaria majalis	latrodactus mactans	pulsatilla nigricans	
baptisia tinctoria	copaiva	ledum palustre	pyrogenium	
baryta carbonica	crataegus	lilium tigrinum	ranunculus bulbosus	
belladonna	crotalus horridus	lycopodium clavatum	rhododendron	
bellis perennis	cuprum arsenicosum	lyssinum	rhus toxicodendron	
berberis vulgaris	cuprum metallicum	magnesium carbonicum	ruta graveolens	
borax	cyclamen europaeum	magnesium phosphoricum	sabadilla	
bryonia alba	digitalis purpurea	mancinella	sabal serrulata	
bufo	drosera rotundifolia	medorrhinum	sanguinaria canadensis	
cactus grandiflores	dulcamara	mercurius corrosivus	sanicula aqua	
caladium	elaps	mercurius cyanatus	sarsaparilla	
calcium carbonicum	eupatorium perfoliatum	mercurius dulcis	scorpio androctonus	
calcium fluoratum	euphrasia	mercurius iodatus flavus	secale cornutum	
calcium iodatum	ferrum muriaticum	mercurius iodatus ruber	selenium	
calcium phosphoricum	ferrum phosphoricum	mercurius sulphuricus	sepia	
calcium sulphuricum	fluoricum acidum	mercurius vivus/solubilis	silicea	
calendula officinalis	gelsemium sempervirens	mezereum	spigelia anthelmia
