

Homœopathic Diagnosis (DHD) was written as a companion volume to *The Bönninghausen Repertory* (TBR), but for the 2nd edition (TBR2) rubric numbers were adjusted to accommodate changes. This list represents the equivalent rubric numbers TBR1→TBR2 found in the cases in DHD, allowing DHD to be used also with TBR2.

DHD rubric equivalents for TBR 2nd edition

Rubric numbers in TBR-I with their equivalents in TBR-II
